2. On this website AABC Limited and its affiliated entities are referred to as "AABC" or "we" or "us".
3. The information on this website was drafted with brevity and clarity in mind. It does not provide exhaustive detail of all our legal policies, terms, conditions, nor all aspects of our collection and use of personal information and / or data. However, we are happy to provide additional information or explanations if needed. Any requests for this should be sent to Data.Controller @ AABC.uk.
4. Our business is all about providing great services to enable our customers to achieve their aims.
5. We aim to behave responsibly in everything we do and to be transparent, fair and ethical in all our dealings with customers, suppliers and everyone with whom we interact. Hopefully we've created an inclusive working environment in which all our people feel free to be themselves.
6. Force Majeure - AABC shall not be held to be in breach of its obligations hereunder, nor liable to you for any loss or damage, which may be suffered by you, or another party, due to any cause beyond its reasonable control; including without limitation any act of God, fire, storm, flood, lightening, disease, strike, trade dispute, act of terrorism, any act or omission of government or regulatory bodies or communications operators.
7. When using our website and other services you must agree that we may collect personal information and / or data about and / or from you. We do not knowingly collect personal information or data from people who are under 13 years of age
8. By accessing this website, you agree that the laws of England and Wales shall apply to all matters arising from, or relating to, the use and contents of this website or information provided to and / or by you via this website. You also agree to submit to the exclusive jurisdiction in first instance of the English and Welsh legal system with respect to such matters.
9. **If you do not accept all of this, you should stop using our services immediately!**
10. We adopt industry appropriate data collection, storage and processing practices and security measures, as well as physical security measures to protect against unauthorised access, alteration, disclosure or destruction of your personal information and data.
11. All countries in the European Economic Area are required to have a similar standard of protection of personal information and data, it is not always the case outside that area. We may transfer data outside that area where we expect that appropriate organisational and technical measures are implemented.

12. We encourage individuals to bring it to our attention if they think that our collection and / or use of personal information and / or data is unfair, misleading or inappropriate.
13. To make this website work properly, it may place small data files called cookies on your device. Most modern websites do this too.
